

How to Donate to PCCP Uganda

We've simplified the donation process to make it more convenient for our supporters. Contributions can now be made through MoneyGram, ensuring a seamless experience for volunteers and donors alike.

Get Started:

1. Download the [MoneyGram mobile app](#).
2. Create an account.

Add PCCP Uganda as a “receiver”:

1. Tap the plus sign at the top of the screen to add a “receiver”.
2. Select “add manually” and enter the following information:
 - o Legal First Name: **Paul**
 - o Legal Last Name: **Osillon**
 - o Country of Transfer: select **your** country and additional info if needed
3. Click “Save Receiver” button.

Making a Donation:

1. Your **recent receiver contacts** appear at the top of the home screen.
 - o Select PO (Paul Osillon – PCCP Uganda).
 - o Click “send” on the following screen.
2. Enter your donation amount – you will see your currency convert to Ugandan Shillings (UGX) in real time.
3. Select your payment method (debit card, credit card, cash at location). Please note the transfer fee for each type of payment method noted with each option.
4. Receive Method: Under this option, please select Cash Pickup for the director to pick up in person.
5. Review your settings, and then click Continue.
6. On the next screen, select your payment method. If you have not already added one, please do so following the prompts on the screen. Once added, select it and click “continue”.
7. Please review the fraud warning and click “continue”.
8. Review your donation details for accuracy and click “Submit” to complete your donation.

Confirming Your Donation

A confirmation message will appear on the screen letting you know that your MoneyGram has been sent. Click the “Share Receipt” button to access a copy for your own records.

Pick Up Reference Number

For your donation to be picked up, a **Ready for Pick Up Reference Number** is required. This number is usually generated within 10 minutes of sending your MoneyGram.

1. To find it: from the home screen, locate the transaction under “Recent Activity”.
2. Click on the recent transaction and then “view details”.
3. **Note the 8-digit reference number** (see sample below).
